

Curriculum Overview

As we start our first half term in year 4, we have so much exciting learning planned for this term! Our topic for this term is 'Predator or Prey?' This topic will link with our learning in Science and Art links.

English and Reading	Mathematics	Knowledge
This half term in English we will be learning about The Loch Ness monster. We will be producing an infographic page (magazine article), and story piece. We will be look at subordinate clauses and complex sentences.	Our maths learning will be based focusing on place value, addition and subtraction. We will also be having a big push on time and a theme week where we will be learning how to tell time to the minute.	For our Science topic is Called 'Can we feed the world?' we will be looking at the food and where it comes from and the environmental impacts of our food.
Physical Development	Religious Education	Pshe/SRE
In our PE lessons we will be developing our athletic skills such as throwing, running and jumping skills. Please remember to come dressed ready for PE on these days, with long hair tied back and earrings taken out. Our PE days are Monday and Thursday afternoons.	Our topic this half term will be Hinduism and we will be investigating the key question of: What might a Hindu learn through celebrating Diwali?	This half term we will be looking at A World Without Judgement- Breaking down barriers Feelings and emotions- Jealousy First Aid .

Homework Map

Parental support and partnership with school is paramount now more than ever before. We are asking you to support your child with regular, quality learning at home. Please find attached this half term's homework overview. We ask that this becomes part of your home learning routine.

Log ins for individual accounts online will be sent out via Dojos.

Bedrock Vocabulary	RM Maths/ TTRockstars	Creative Activity
<p>Pleased complete one session of Bedrock Vocabulary every week. This will help to develop your child's vocabulary and reading skills.</p>	<p>In order to help your child with their essential maths skills, we would like them to access one session of Mathletics and one session of TTRockstars every week. Logins will be given out on the Meet the teacher meeting on Tuesday 19th September.</p>	<p>Your creative challenge this half term is to create pictures/ models of The Loch Ness Monster. A log of where your food came from which country and thinking about the food miles it has taken and how it has impacted the environment.</p>
Reading	Mental Maths Quiz	Spellings
<p>We will now be changing our books most days. It is an expectation that your child will read one physical book and one eBook from the Oxford Owl reading website every week.</p> <p>Please do return any reading books to school that you have outstanding so that they can be changed 😊</p>	<p>To build your child's concept of key Maths skills, we will be promoting memory skills and revising our essential maths skills each week on a Friday. This term we will be focusing on Time tables particularly the 2,5,10, 3, 4 and 8's.</p>	<p>Spellings will be sent out each Monday and tested the following Monday.</p>
