

Year Four Spring 2 Curriculum Overview

English	Maths	Science	RE
In English this half term we are looking at different text types to create our own documentaries on <i>Climate Change</i> . We will also be reading 'The Last Bear' by Hannah Gold as our class novel.	In Maths this half term we will be exploring division with remainders and length and perimeter. We will also continue to learn our times table facts automatically.	In Science, we will be classifying states of matter. We will be identifying the properties of solids, liquids and gases.	In RE, we will be studying Christianity and Jesus. Our key question is: 'Is sacrifice an important part of religious life?'
History	PSHE	Art	Music
In History, we will be looking at the Ancient Egyptians. Our enquiry question is 'What did the Ancient Egyptians believe?'	In PSHE we will be exploring how to be responsible with a specific focus on being responsible and coming home on time. We will also be studying the working world and how we can help by completing chores at home!	In art this half term we will be making our own Egyptian scrolls. We will use graded pencils and we will even be creating our own paper!	In music this half term, we will be exploring Samba music! We will be composing our own samba rhythms and performing as an ensemble.
PE		MFL	
In PE, we will be playing tennis and dodgeball! We will be working on our throwing and catching and batting skills, whilst continuing to work as a team. Our PE days will continue to be a Tuesday and a Friday.		In our French lessons, we will be continuing to learn to count in French. We will explore French birthdays, calendars and numbers in context.	

Year 4 homework overview

	WC 4 th March	WC 10 th March	Wc 17 th March	Wc 24 th March	WC 31 st March
Maths	Practice your individual times table facts!				
Spellings	Invention Injection Action completion communication selection hesitation stagnation nomination migration		Expression Discussion Confession Permission Admission Impression Obsession Procession Omission Concussion		Magician Electrician Mathematician Musician Technician Politician Optician Beautician Physician Dietician
Bedrock Bedrock learning is designed to help children with their vocabulary, reading and grammar skills. It is a fun, interactive way to learn new words that will help their reading and comprehension.	Complete two vocabulary lessons this week. Dojos will be available for the children who complete both lessons.	Complete one vocabulary and one grammar lesson this week. Dojos will be available for the children who complete both lessons.	Complete two vocabulary lessons this week. Dojos will be available for the children who complete both lessons.	Complete one vocabulary and one grammar lesson this week. Dojos will be available for the children who complete both lessons.	Complete two vocabulary lessons this week. Dojos will be available for the children who complete both lessons.
