

Year Four Summer 2 Curriculum Overview

English	Maths	Science	RE
<p>In English this half term we are looking at the narrative poem of Macavity. We will be learning about performance poetry and writing newspaper articles about cat burglars!</p>	<p>In Maths this half term, we will be continuing to look at fractions and decimals. We will also be exploring the area and perimeter of shapes.</p>	<p>In Science, we will be continuing to learn about sounds and vibrations. We will be carrying out and creating our own fair tests.</p>	<p>In RE, we will be studying Christianity and the Church. Our enquiry question is: What does 'love your neighbour' really mean?</p>
Geography	PSHE	Art	Music
<p>In Geography, we will be looking at rivers. Our enquiry question is 'What are rivers and how are they formed?'</p>	<p>In PSHE we will be learning about relationships, health and sex education. This will focus heavily on puberty and body changes.</p> <ul style="list-style-type: none"> • We will be learning: The scientific name for genitalia including: penis, testicles vagina, vulva, clitoris, scrotum, urethra, foreskin, anus, ovary, fallopian tube, ovary, uterus • About menstruation and wet dreams • About personal hygiene and how our body changes during puberty • About feelings and emotions <p>We will then continue our learning about medicines and drugs, including vaping and the impact this can have on the body.</p>	<p>In art this half term we will be making our own Egyptian scrolls. We will use graded pencils and we will even be creating our own paper!</p>	<p>In music this half term, we will be learning to play the ukulele. We will continue to learn chords and perform as a class ensemble.</p>
PE		MFL	
<p>In PE, we will be playing! We will be working on rounders and problem solving, whilst continuing to work as a team. Our PE days will continue to be a Tuesday and a Friday.</p>		<p>In our French lessons, we will be learning about food and continuing to recap our greetings, numbers and the date.</p>
