

Year 3 Learning Overview- Spring 1

Our enquiry question this term is: How do magnets work? We will be investigating how magnets work.

English	Maths	Geography	PE
Our topic for this term will be exploring the 'Iron Man'. We will be reading Iron Man and making our own narrative stories based on the novel.	Our maths sessions will multiplication. We will be learning our 3, 6, 9, 4 and 8 times tables 	In Geography, our key question is Are all settlements the same? We will be exploring where we live, how it has changed over time and contrasting it with New Dehli.	Our PE sessions will continue to take place on a Wednesday and Thursday. Please ensure long hair is tied back and all jewellery is removed before school unless children are able to do this independently.
PSHE and SMSC	RE	Science	Music
This term, in PSHE we will be focusing on our world and what it means to look after it. We will also be looking at being responsible with a focus on stealing.	In RE we are looking at the beliefs and values of Christianity. Our key question is: "What does it mean to be a disciple of Jesus?"	Our Science focus this half term is magnets. We will be learning that opposites attract and some magnets repel each other.	In Music this half term we are looking at the pentatonic scale with a focus on Chinese New Year. We will be composing our own melodies using the pentatonic scale
Computing	French	DT	
In computing we will be looking at sound production. We will be using Scratch Jr to create different sounds.	In French we are looking at French transport and numbers to 10!	In DT we will be exploring electrical systems. We will be programming micro bits to make our own electrical posters.
