

Literacy

Our first English topic this half term will be based on the book 'ZOG' We will be creating a sequel to the story, using our inference and prediction skills. This will be with a focus on using capital letters for names and using 'but' and 'so' as conjunctions!

PSHE

In PSHE we will be looking at Living in the Wider World. Particularly how we grow in our world and how we can be responsible.

RE

Our question for this half term is 'How might beliefs about creation affect the way people treat the world?' We will be studying the faith of Islam.

PE

This term our PE sessions will take place on Monday mornings and Thursday afternoons.

We will be focusing on: Dance, The three little pigs and FMS Catching and Bouncing the ball.

Lea CP Primary School

Year 1 Curriculum Overview (Spring 1 Term)

'What is living in your garden?'

The key subjects this half term include Geography, Design Technology and Science.

Science: compare, group, hearing, pattern, sense(s), sight, smell

Geography: Atlas, autumn, direction, east, England, Europe, map, north, Northern Ireland, place, Scotland, season, south, spring, summer, United Kingdom, Wales, weather, west, winter.

Design Technology: Blend, blender, chopping board, compare, cut, design, evaluate, flavour, fork, fruit, healthy, ingredients, juice, juicer, leaf, plant, recipe, root, seed, select, smoothie, stem, table knife, taste, tree, vegetable, vine

Maths

Our daily maths sessions will focus on additive structures introduction to aggregation (combining two parts to make a whole), portioning (recognising two parts that make the whole). Augmentation (when a quantity is increased by another).

Science

This half term we will be identifying and naming basic human body parts and explain which sense is associated with which sense.

Geography

In Geography our question is 'What is the weather like in the UK?' We will be studying the location of the country and the cities. We will discuss the four seasons and their associated weather.

Social, Moral, Spiritual and Cultural skills (SMSC)

This will be integrated throughout our topics.

Promoting our school values
Through our learning we will be learning about diversity and tolerance. We will be re-introducing our school values and incorporating them into our learning.

Design Technology

This term we will be focusing on developing pupils understanding of fruit and taste testing and then designing a smoothie. This will be underpinned by discussions about growing

Computing

In Computing we will be focussing on Programming. We will understand what algorithms are, how they are implemented as programs on digital devices, and that programs execute by following precise and unambiguous instructions. This will all be underpinned through our understanding of Online Safety.

Music

This term we will be learning to increase our musical vocabulary through the topic 'Under the sea'.
