

Lea CP Primary School

Year 2 Curriculum Overview (Summer 1 Term)

Literacy

Our topic this term will be 'Aladdin'.
We will be exploring various styles of writing, including persuasion, recounts and chronological reports.

'What would you wish for?'

Our topic this half term is focussing on our dreams for the future, while exploring the differences between 'wants' and 'needs'. We will be using this topic to develop our skills in many areas! Our key subjects this half term are History, English and Science.

Key vocabulary: monarch, coronation, magical, resilience, germination.

Social, Moral, Spiritual and Cultural skills (SMSC)

This will be integrated throughout our topics.

Promoting our school values

Through our learning we will be learning about diversity and tolerance. We will be re-introducing our school values and incorporating them into our learning.

PSHE

In PSHE, we will be looking at sex and relationships education.

We will learn:

Eating - Brushing teeth

Hazard watch- texting while driving

Maths

Our daily maths sessions will focus on Fractions. We will be looking splitting groups into halves, thirds and quarters. We will also be revisiting addition, subtraction, multiplication and division. In Shape, Space and Measure, we will be looking at Time, focussing on telling the time to five minute intervals.

RE

In RE, we will be looking at Christianity (Church). We will be exploring the question: What unites the Christian community?

Science

This term we will be exploring Plant Growth. We will be learning about seeds and that have all the necessary parts inside for plants to grow. We will also be looking at what seeds need to germinate. We will also be learning that light is required for healthy plant growth.

Computing

This term we will be exploring how music can make them think and feel. They will make patterns and use those patterns to make music with both percussion instruments and digital tools. They will also create different rhythms and tunes, using the movement of animals for inspiration. Finally, learners will share their creations and compare creating music digitally and non-digitally.

ART

Our topic this half term will be Making clay houses based on the artist Rachel White read. We will be learning to use a range of materials creatively to design and make products. To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.

PE

This term our PE sessions will take place on Monday afternoons and Wednesday mornings.

Dance and Athletics.

History

In History, we will be exploring the question 'What is a monarch?'. We will be investigating the history of the British monarchy. Particularly focussing on William the Conqueror and how castles have developed over time!

Music

In Music, we will be exploring 'Glockenspiels'
