

English

Our topics for this term will focus on the text 'Leo and the Octopus' and 'The Search for Carmela'.

We will be narrating a narrative and recounting an explorers log.

Big Write

Our extended writing will take place every Friday. There will also be opportunities for children to write at length throughout the week.

PSHE

This term, in PSHE we will be focusing on Foundations for wellbeing and Change, loss and grief.

PE

This term our PE sessions will take place on Tuesday mornings and Thursday afternoons. Please can you make sure that any earrings are taken out before school as we are unable to do this. Children will not be able to do PE with their earrings in.

Lea CP Primary School

'Where would you like to live?'

We will be using this topic to develop our skills in many areas! Our key subjects this half term are English, Science and Geography.

Key vocabulary:

English: water, beautiful, wild, prove,

Science: movement, sensitivity, growth, reproduction, excretion, nutrition

Maths

Our daily maths sessions will focus on place value, addition and subtraction and partitioning. In our Shape, Space and Measure sessions, we will look at the 2-D and 3-D shapes. We also be recapping telling time.

Science

This term we will be exploring habitats of living things and how they provide their basic needs. We will also explore and compare the differences between things that are living, dead, and things that have never been alive.

Geography

In Geography, we will be exploring the question 'What is like to live by the coast?'. We will be investigating the geography of the British coastline. Particularly focussing on the human and physical features of the British coast line.

Social, Moral, Spiritual and Cultural skills (SMSC)

This will be integrated throughout our topics.

Promoting our school values

Through our learning we will be learning about diversity and tolerance. We will be re-introducing our school values and incorporating them into our learning.

RE

In RE, we will be looking at Christianity and God. We will be exploring the question: Does how we treat the world matter?

Computing

This half term we will focus on how is information technology (IT) being used for good in our lives? With an initial focus on IT in the home, learners explore how IT benefits society. Whilst discussing the responsible use of technology, and how to make smart choices when using it.

Art

In Art, we will be using a range of materials to experiment and create drawings using a range of media such as chalks, charcoals and pastels.
