

Year Three Autumn 2 Curriculum Overview

English	Maths	PSHE	RE
In English this half term we are looking at the story of 'The Green Children'. We will be writing our own folk tales based on this story.	In Maths this half term we are learning to use column addition and subtraction. We will begin to learn our 3, 6, 4 and 8 times tables. We will also be exploring different angles in shapes.	In PSHE this half term, we will continue to look at the feeling and emotion grief. We will also be exploring fire safety, in particular the dangers of texting whilst driving.	In RE this half term, we will be studying Islam. Our enquiry question is: Why is the Prophet Muhammad (pbuh) an example for Muslims?
Geography	Science	Computing	Music
In geography this half term we will be exploring how mountains and volcanoes are formed. Our enquiry question is: Why do people live near volcanoes?	In Science, we will be exploring different types of rocks and stones. We will be comparing the different rock formations and grouping together different kinds of rocks on the basis of their appearance and simple physical properties.	In Computing this half term we will be looking at spreadsheets. We will be inputting data and exploring how we can create algorithms and calculations. We will also be exploring how we can keep ourselves safe online.	In music this half term, we will be learning to sing a ballad. We will write our own lyrics and compose our own ballads based on a structure. We will then perform our own ballads.

Key Vocabulary: sedimentary, metamorphic, igneous, mountain, volcano, lava, crust, algorithm, ballad, chorus, verse, grief, emotion, properties.
